

## The Rotary Club of Salem-Creekside Schools Partnership

The Rotary Club of Salem Creekside is continuing to help our neighbors. First through our COVID-19 Assistance Program, the Laundry Vouchers for Fire Victims, Marion Polk Food Share, partnerships with schools and now as the weather changes providing shelter and resources for our homeless Veterans through the Tanner Project, housing for male and female Veterans. Several years ago we helped prepare Westcare, also a homeless VET center, but the need did not stop. Please join us as we learn about the programs to provide resources to those who served our country and how we can all help.

Our meetings are open to all. We invite parents and neighbors to join us as we learn about current issues facing our community. Join us via zoom or in person at Danny's on the Green, Creekside Golf Course, 6250 Clubhouse Dr. SE, Thursday's at noon. To all our Veterans, the Rotary Club of Salem Creekside would like to thank you for your commitment and service to our country. You are not forgotten. Come join us for a free lunch and hear from Veteran affairs keynote speakers:

November 5, Kelly Fitzpatrick, Director Oregon Department of Veteran Affairs

November 12, Stephen Bomar, Oregon National Guard

November 19, Rosy Macias, Veterans Outreach Coordinator

For additional information about our projects and activities please visit our website [www.clubrunner.ca/salemcreekside](http://www.clubrunner.ca/salemcreekside). Be our guest and find out how **“Rotary Opens Opportunities” and** makes a difference every day in people's lives, giving neighbors just a little bit of hope when all seem hopeless.
