## Winter Reading Challenge

Salem Public Library is offering a [winter reading and activity challenge](#) to spice up the winter months!

This January Salem Public Library will offering the “[Books Like Us](#),” Winter Reading Challenge sponsored by Simon and Schuster and powered by Beanstack. We challenge our patrons to read or listen to up to 10 books, during the month of January and track their reading. They also have the option to complete bonus activities by learning more about the highlighted “Books Like Us” authors. Keep track on [Beanstack](#) and earn tickets for chances to win gift certificates from local bookstores.

Yours in Literacy,

Youth Services Staff
